

Perth Prayer

In June of 2009 several businessmen and women, pastors and local church leaders representing a broad spectrum of Christian denominations began to meet together in the center of the city for one day a week to pray: to praise, to seek the Lord, the anointing of the Holy Spirit, also healing and comfort for those in need. We have recently moved to a larger venue and all are invited to join in the weekly lunch time meetings currently held in spacious Tranby Hall within Wesley Quarter. This Christian gathering is characterized by:

- **Spontaneity.** With the exception of a patterned beginning.
- **Christian and Multi-Denominational.**
- **Promptness.** The meeting starts promptly at noon and closes by one.
- **Focus on personal testimony and prayer.** The "agenda" consist of the work and fruits of the Holy Spirit: particularly healing, praise, comfort, and blessing.
- Commitment to **Unity and Humility**
